DETAILED ACTION

Allowable Subject Matter

1. Claims 1-24 are allowed.
2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Ronald Spuhler (Reg. No. 52,245) on Monday October 6, 2008.

3. The application has been amended as follows:

Claim 1, line 6, the phrase "for reviewing" has been deleted and "presenting" has been inserted therein.

Claim 3, lines 3-6, the phrase ", and wherein a software engine uses at least a portion of the credit report information of the buyer and the financing parameter information to identify the at least one of the plurality of products for which the buyer is at least likely to be approved to purchase using the at least one financing vehicle" has been deleted.

4. The following is an examiner's statement of reasons for allowance: The prior art, either alone or in combination does not disclose, nor suggest, the features recited in independent claims 1, 10 and 19, and the dependent claims that depend therefrom. It is noted that using a credit report to obtain a loan is not deemed a product as defined by Applicant. The financing parameter information in juxtaposition with a product, along with the other recited claim language, is not taught, nor suggested, by the prior art, either alone or in combination with the other prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Note the attached PTO-892 citing pertinent references of interest that were discussed with Mr. Ronald Spuhler on Monday, October 6, 2008 and Tuesday, February 17, 2009. It is noted that cited reference Norris, US 5,940,811 was discussed with Mr. Ronald Spuhler on Tuesday October 14, 2008, not on Monday October 6, 2008. Mr. Spuhler was convincing in noting the loan noted by Norris US 5,940,811 did not provide a product as claimed. Also, no web or server is present with the Norris US 5,940,811. Similarly, Lebda et al., US 6,611,816 was discussed. However, Lebda '816 does not disclose a product in juxtaposition with the Applicant's claim language.
